

Wedding Photography Price List

Silver Package:

Your wedding will be covered by one photographer and one assistant (who will take photos and help pose) for five hours total. Coverage will include anything you desire including before wedding photos, ceremony photos, and reception photos.

You will receive a CD with the entire collection of your wedding photos with unlimited printing and reproducing rights.

Your entire collection of wedding photos will be professionally “photoshopped” to ensure pristine quality.

The cost of this package is \$500. There is a \$100 deposit, and \$400 will be paid after you receive your photos.

Gold Package:

You will receive an engagement session with a complete CD of the images for any use.

Your wedding will be covered by one photographer and one assistant (who will take photos and help pose) for an unlimited amount of time. Coverage will include anything you desire including before wedding photos, ceremony photos, and reception photos.

You will receive a CD with the entire collection of your wedding photos with unlimited printing and reproducing rights.

Your entire collection of wedding photos will be professionally “photoshopped” to ensure pristine quality.
